

simultaneous statistical inference - uni bremen - simultaneous inference implies valid post-selection inference ... ssi seminar on simultaneous statistical inference, hu berlin, 28.04.2014 page 25 (28) 1 multiple comparisons (multiple tests) 2 simultaneous confidence regions 3 classification and model selection ... simultaneous statistical inference in multivariate time series models ... **simultaneous statistical inference in dynamic factor models** - simultaneous statistical inference in dynamic factor models ... to this end, it is essential that the time series model (1.1) is identified in the sense of Geweke and Singleton (1981), which we will assume throughout the paper. ... typically, we will be concerned with simultaneous statistical inference in dynamic factor models under **simultaneous statistical inference with applications in ...** - simultaneous statistical inference with applications in the life sciences ... bluebird sylphy 2006 service manual, bmw 3 series e46 1999 2005 service repair manual, ford focus electric user manual, pdf remede de ma grand mere pour cheveux, by sadegh hedayat, piaggio x9 evolution 500 full service **simultaneous statistical inference in dynamic factor models** ... - simultaneous statistical inference in dynamic factor models thorstendickhaus 1 april 30, 2012 ... more details in section 4. to this end, it is essential that the time series model (1.1) is identified in the sense of Geweke and Singleton (1981), which we will assume throughout the paper. ... 4 examples important simultaneous inference ... **simultaneous statistical inference in dynamic factor models** - simultaneous statistical inference in dynamic factor models ... we elaborate likelihood-based simultaneous statistical inference methods in dynamic factor models (dfms). to this end, we work up and extend the methodology of Geweke ... h. pomares (eds.), time series analysis and forecasting, contributions to statistics, doi 10.1007/978-3-319 ... **statistical inference from atmospheric time series** ... - statistical inference from atmospheric time series: detecting trends and coherent structures ... construction of simultaneous confidence bands for the univariate ... statistical inference from atmospheric time series 539 0 2000 4000 6000 8000 2 0 2 4 t, data points vertical velocity, m/s **springer series in statistics** - simultaneous statistical inference. (springer series in statistics) bibliography: p. includes indexes. 1. mathematical statistics. 1. title. ii. series. ... simultaneous statistical inference, which was published originally in 1966 by mcgraw-hill book company, went out of print in 1973. since then, **doing thousands of hypothesis tests at the same time** - doing thousands of hypothesis tests at the same time bradley efron abstract ... classic text **simultaneous statistical inference**, (1980), concerns doing two or three or ... view as reported in a series of papers, efron et al. (2001), efron and Tibshirani (2002), efron **portmanteau test and simultaneous inference for serial ...** - portmanteau test and simultaneous inference for serial covariances han xiao ... the distributional convergence is more useful for statistical inference. for example, other than testing for serial correlation, (8) can be used to construct simultaneous confidence ... their bounds are analogs under the time series context to those of Bickel and ... **statistical inference for panel dynamic simultaneous ...** - statistical inference for panel dynamic simultaneous equations models cheng hsiao y qian kun zhou this version may 16, 2014 abstract we study the identification and estimation of panel dynamic simultaneous equations models. we show that the presence of time-persistent individual-specific effects does not **applied linear statistical models - rcitgers** - applied linear statistical models simultaneous inference ... many problems require a series of confidence intervals (or tests) where it is ... a family confidence coefficient is the proportion of samples that are correct for every member of the family of estimates, in repeated sampling and recalculation of each estimate **a statistical framework for the utilization of simultaneous ...** - a statistical framework for the utilization of simultaneous pupil plane and focal plane telemetry for exoplanet imaging, part i: accounting for aberrations in multiple ... using statistical inference based on the wavefront sensor and science ... inherent in the various schemes based on differential imaging, such as adi and sdi. this paper is the first in ... **inference of trends in time series** - inference of trends in time series wei biao wu and zhibiao zhao university of chicago, usa ... final revision november 2006] summary. we consider statistical inference of trends in

mean non-stationary models. a test statistic is proposed for the existence of structural breaks in trends. ... second goal is to construct simultaneous confidence ... **analysis of solar generation and weather data in smart ...** - smart grid with simultaneous inference of nonlinear time series yu wang y, guanqun caoz, shiwen maoy, and r. m. nelms ydepartment of electrical and computer engineering, auburn university, auburn, al zdepartment of mathematics and statistics, auburn university, auburn, al
